## BEHAVIOR COVENANT OUR AGREEMENT BETWEEN THE CHURCH, PROGRAM STAFF, PARENTS AND CHILDREN

Our Primary Goal is to keep your child both physically and emotionally safe. We accomplish this by setting out the following:

### OUR PROGRAM COMMANDMENTS

Love the Lord your God with all your heart and with all your soul and with all your mind.  
Do unto others as you would have them do unto you.

### OUR SAFETY RULES

St Andrew's will maintain a safe environment for the children. There will always be an appropriate number of adults to supervise the children.

Children are expected to be respectful of each other, all adults, themselves and the building, equipment and materials. If a child consistently displays disrespectful behavior, the parent/guardian will be called to meet with the teacher.

Children are expected to remain on church property during the course of the program unless they are on a field trip. If a child leaves church property unaccompanied by an adult for without permission of a teacher or guardian, the police will be called and a parent or guardian will be called to come and pick up the child. It will be up to the discretion of the church and the program as to whether the child will be allowed to return to the program.

Children are expected to remain within the play and work areas that are assigned to them by their teachers. When a child leaves these areas without permission of a teacher, the child will be asked to return to the appropriate area. If he or she does not do as the teacher asks, the child's parent/guardian will be called. If this happens 3 times, the child will be asked to leave the program.

When children are off church property under the supervision of St Andrew's staff, either to walk from Lincoln School or on a walking field trip, children must be able to follow the directions of the teacher (stay in line, cross streets in crosswalks). If a child is unable to maintain safe behaviors, the child will be asked to leave the program.

I have read and understand these rules.
